Welcome and thank you for selecting *Capitol Spine and Pain Centers*®.

Our mission is to offer you the highest quality care in a comfortable, efficient and safe manner. Listed below are some guidelines for your review. Throughout the time you receive services from our organization, please feel welcome to contact any member of our team with questions or need for any information.

Wishing you good health,

The Physicians & Staff at Capitol Spine and Pain Centers®

Guidelines

- **Primary Care Referrals:** Please obtain all of the necessary referral forms (if required by your insurance) from your primary care physician in advance of your visit. Unfortunately, patients cannot be seen without the appropriate referral.
- **Co-Payments:** Co-payments and deductibles must be paid upon the patient's arrival. We accept checks, debit cards, Visa, and MasterCard.
- **Non-covered services** (prolotherapy, acupuncture, supplies and equipment) must be paid for at the time of service.
- **Tardiness:** Please call if you are running late. Patients arriving more than 15 minutes late may be asked to reschedule. Obviously, we try to deliver the same respect for your time - if we are running late, the session will be completed in its entirety.
- **Cancellations:** We request that patients who are unable to keep an appointment contact our office at least 24-business hours prior to the scheduled appointment time since there are usually other patients that could benefit from this treatment slot. Patients that do not contact the office within the 24 hour period to cancel their appointment will be charged a \$75 fee for the missed appointment.
- **Repeated Missed Appointments:** We will be unable to schedule future appointments for patients having three (3) missed appointments and/or cancellations without appropriate notice, particularly if we feel that these missed appointments are adversely affecting our intervention/treatment plan.
- **Medication Refills:** To ensure that your medication needs are met in a timely manner, we request that you call our *pharmacy refill line* at least three (3) days prior to the date your medication is scheduled to run out. There will be a \$15.00 fee assessed when a prescription is obtained prior to a scheduled appointment.

AUTHORIZATION FOR CLAIMS, PAYMENT AND REVIEWS

Thank you for selecting Capitol Spine & Pain Centers® as your health care provider. We are committed to providing you with the best possible medical care at the lowest possible cost. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our claims, payment and review policies which we require you to read and sign prior to any treatment.

Full payment for professional services is due at the time of service. We accept checks, Visa, or MasterCard.

Our practice participates with most insurance carriers. As a courtesy, we will contact your carrier to confirm coverage and estimate their payment for services rendered.

I agree to provide information regarding health insurance, workers' compensation, automobile, and other health care benefits which the patient may be entitled. Patient assigns payment(s), if any, from insurance carriers(s)/health benefit(s) plan to Capitol Spine & Pain Centers® for services rendered. The direct payment assigned and authorized includes any medical insurance benefits entitled, including any Major Medical benefits otherwise payable to patient under the terms of the policy, but not to exceed the balance due for services rendered.

I understand that if my insurance company or health maintenance organization does not consider the services received as covered or has not authorized the services, then I will be fully responsible for the service provided. I also understand and acknowledge that in the case of Out of Plan/Network services, there may be reduced benefits and I may be required to pay larger co-pay, co-insurance or other charges. In the event that the insurance does not reimburse these services provided, I acknowledge that I will be responsible for any balance that it declines to pay for such services _____ (initials).

We require you to make your payment at time of service. Prompt payment allows us to control costs which ultimately keep our fees to a minimum. Patients with a standard co-payment (i.e. \$10.00, \$12.00 or \$15.00 per visit) are required to pay this at the time of service. Patients whose co-insurance is based upon a percentage of the charge are required to pay an estimated percentage of their bill at the time of service. This payment will be applied toward your ultimate responsibility. If you have a deductible that has not been met, your insurance carrier will apply services to that deductible. We require you to pay your deductible at the time of service.

NOTICE TO TRICARE BENEFICIARIES

If you are a TRICARE beneficiary, the prior two paragraphs do not apply to you. When you visit one of our physicians or physician's assistants, please identify yourself as a TRICARE beneficiary. If the services to be rendered to you are excluded from your TRICARE benefits, your payment options for these excluded services will be discussed with you at the time of your visit. If the services to be rendered to you are covered as TRICARE benefits, your only charge will be the applicable deductible, copayment and/or cost-sharing amount.

If you have insurance coverage, we are glad to help you receive maximum allowable benefits and will file your claim(s) for you. If your insurance carrier fails to process your claim within 45 days from the date of service, the balance becomes your responsibility. If an insurance problem occurs, you are asked to assist us in contacting your insurance carrier.

Please be aware that few insurance companies attempt to cover all medical costs. Some companies pay fixed allowances for each procedure/service while others pay only a percentage of the costs. Our practice is committed to providing the best treatment to you, and we charge what is usual and customary for this area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates which may bear no relationship to the current standard and cost of care in this area.

As required by your insurance carrier, you are responsible for obtaining any necessary referral if your insurance policy mandates such paperwork. You will need to present a completed referral at the time of your appointment. As required by insurance mandates you are also responsible to obtain the appropriate authorizations for medical treatment.

In the event that you are seen (by your acknowledgement) without the proper referral/authorization as required by your insurance carrier, you will be responsible for payment of all fees at the time of service. We will file a claim with your insurance carrier and reimburse you if they issue payment to us. We ask that you participate in any dispute with your insurance carrier regarding your policy guidelines and regulations.

I authorize release of information, including financial information and confidential health information and medical records for services rendered regarding my injury or any other services, which may include records related to treatment for substance abuse, to my insurance carrier(s), managed care plan or other pay or, including past or present employer(s), authorized private review entities or entities acting on their behalf, authorized chart reviewers, the billing agents, collection agents, our attorneys or insurance companies, the Social Security administration, the Health Care Financing Administration, the Peer Review Organization acting on behalf of the federal government, and/or any other federal or state agency for the purpose of satisfying billed charges and/or facilitating utilization review and/or otherwise complying obligations of state or federal law.

There is a \$15 charge for prescription refills prior to a scheduled appointment and a \$75 charge for No Show or Call to Cancel appointments with less than a 24 business hour notice.

Returned checks will be processed with a service charge of \$35. Outstanding patient balances over 30 days will accrue a monthly 1.5% interest charge. Balances referred to collection services are subject to additional fees. In addition, patients whose accounts have been referred to collection agencies must pay any outstanding balance and pay for each visit in full at the time of the appointment before additional services/care will be provided.

Our staff is available to answer questions relating to how your claim was filed or any additional information the carrier may need to process your claim. However, coverage issues are best addressed by your employer or group plan administrator. Your insurance policy is a contract between you and your insurance carrier. Capitol Spine & Pain Centers[®] is not a party to that contract and cannot act as a mediator with the carrier or your employer.

In my capacity as patient, legal representative or representative payee for the patient, I agree to pay all charges for which I may be legally responsible including, but not limited to health insurance deductibles, co-payments, and non-covered services. In the event my account must be placed with an attorney or collection agency to obtain payment, I agree to pay reasonable attorney's fees and other collection costs.

Our practice believes that a good provider-patient relationship is based upon effective communications. If you have any questions, please feel welcome to 703-914-8000.

By signing below I certify that I have read and understand the Authorization for Claims, Payment, and Reviews, have had the opportunity to ask questions and have them answered and accept the above conditions and terms. I further certify that I am the patient or guardian, duly authorized representative, parent or other family member of the patient.

YOU AND THE HIV VIRUS

We are all concerned with minimizing the risks of exposure to the HIV virus.

We are very conscientious about this at Capitol Spine & Pain Centers. We have very careful protocols that comply with government regulations for safety (monitored by the Occupational Health and Safety Administration). We would like you to know that we use disposable needles, and you are at no time exposed to blood or bodily fluids of any other patient.

We are obligated to provide a safe workplace. This ensures a safe treatment environment for you. There may be an occasion when we are accidentally in contact with your blood or other bodily fluids. Virginia law authorizes that if such an incident occurs, we may test your blood for HIV. The same law requires that you be informed of this.

Again, these precautions are taken in the interest of safety for you and our staff members.

Please sign below that you understand this information.

YOUR RIGHTS REGARDING YOUR HEALTH INFORMATION

If we deny your request, we will notify you in writing and may provide you the option to have the denial reviewed.

Right to Request Restrictions

You may ask us not to use or disclose any part of your protected health information for treatment, payment or health care options. Your request must be made in writing to our Privacy Office where you wish the restriction instituted. Restrictions are not transferable to our other facilities, if any, unless requested by you to be throughout all of our facilities.
