PAIN, 2018

DEAR COLLEAGUE

We invite you to participate in the upcoming Pain, 2018 conference, presented by Timothy Deer, MD and the West Virginia Society of Interventional Pain Physicians. This will be a dynamic educational opportunity which will attract pain practitioners from across the United States. The meeting will take place at the Fountainebleau Miami Beach, Miami Beach, Florida.

The event will unite approximately 300 pain practitioners from across the United States, Europe & Caribbean including; engineers, researchers, anesthesiologists, neurosurgeons, neurologists, pain medicine specialists, and venture capitalists. Our goal is to present cutting edge data and information to practitioners of all levels and provide a forum to interact and discuss evidence based medicine to improve the quality of care and access to care for patients. There will be many opportunities for you to network with colleagues from across the United States, and attend educational sessions to expand your knowledge on current available treatment options to patients and practitioners.

EXPECTED ATTENDANCE

Pain, 2018 is expected to bring clinicians, scientists, and industry partners from all over the United States. We anticipate in excess of 300 clinical providers to attend including: physicians, mid-level practitioners, nurses, and pharmacists.

ACCREDITATION

The West Virginia Society of Interventional Pain Physicians is accredited with the Commendation by The West Virginia State Medical Association (WVSMA) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The West Virginia Society of Interventional Pain Physicians designates the live activity for maximum of 19 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OUR EDUCATIONAL PROGRAM

The goal of Pain, 2018 is to provide a unique and dynamic program on the most up to date, cutting edge information on therapies available to treat patients in pain. Each faculty member is a recognized leader in the field. Information and data presented will be on label and present the most recent and relevant information available with a focus on improving patient care, access to therapies, and overall outcomes.

Format will include individual lectures, panel discussions and cases. Implementing Courses and Hands on Workshops will also be available.
